

VLADIMIR **KAGAN** BISCUIT SECTIONAL
SOFA DESIGNED 1980 | SECTIONAL DESIGNED 2006

The Biscuit Sofa was custom designed in the 1980s for executive offices at Prudential Insurance. Later, in 2006, Kagan redeveloped the concept into a multi-piece sectional series featuring sleek channel tufting.

With interchangeable components including an ottoman, sofas of different sizes and shapes, and detachable armrests available in solid wood or fully upholstered, the updated Biscuit Sectional can now be designed and redesigned to optimize a single space for a variety of occasions.
